IVORY COAST

THE ECONOMIC HUB OF WEST AFRICA

The most developing economy in West Africa with a population **of 32.1 million, Ivory Coast** is the **economic hub of West Africa.**

Through substantial investments in infrastructure, real estate, and urban development, Ivory Coast is rapidly becoming a strategic destination for construction materials, building technologies, and sustainable development solutions in West Africa.

Ivory Coast's dynamic economy and growing population, combined with the Economic Community of West African States (ECOWAS)'s **430 million strong market**, offer significant trade & investment opportunities.

HVAC R
EXPO CÔTE D'IVOIRE

Powering West Africa's Climate Future

As West Africa experiences rapid urban growth and infrastructure development, the demand for advanced HVAC, refrigeration and ventilation solutions continues to rise. Driven by expanding commercial buildings, residential projects, industrial facilities and healthcare investments, Côte d'Ivoire has become one of the region's most promising HVAC markets. HVAC R Expo Abidjan connects global manufacturers with qualified buyers, contractors, consultants and decision-makers through targeted **B2B meetings** and an exclusive **Hosted Buyer Program**, creating outstanding opportunities to expand across West Africa.

Organized under the patronage of the **Ministry of Urban Planning, Housing and Living Environment**, with the support of CCI-CI, CCITCI, CCI-LCI, the exhibition officially opened with remarks by Mr. Olver Monet Yap (Representative of the Mayor of Port-Bouët), Mr. Siriki Sangaré (President of CNPC-CI), and Mr. Kouado Pokou Marus (Representative of the Minister of Urban Planning, Housing and Living Environment), highlighting the importance of the exhibition and the strong collaboration between public and private sector stakeholders.
